

A Grateful Farewell and Stepping into the Next Chapter

Children's Cancer Foundation (CCF) extends our sincere appreciation to our outgoing Chief Executive Officer, Ms Peng Haiying, for six years of dedicated service and leadership. Throughout her tenure, Haiying has been a steadfast advocate for children and families impacted by childhood cancer and a thoughtful leader who fostered a culture of care, openness, and collaboration across the organisation.

Under her leadership, CCF navigated significant moments of change, including the challenges of the pandemic, with resilience and clarity. Her deep personal commitment to the cause was also reflected when she shaved her head for Hair for Hope in 2022, a meaningful gesture that resonated strongly with our community and embodied the heart of our work. We thank Haiying for her contributions and service to CCF, and we wish her every success and fulfilment in her future endeavours.

As we bid farewell with gratitude, we welcome Mr Koh Shukai as our incoming Chief Executive Officer. Having served as Head of Community Partnerships & Communications and Deputy Chief Executive over the past three years, Shukai brings deep institutional knowledge, strong partnerships across the sector, and a clear understanding of CCF's evolving needs. His leadership will build on the strong foundation established, as CCF continues to strengthen survivorship care, partnerships, and organisational sustainability.

As we step into this next chapter, CCF remains committed to walking alongside children, survivors, and families, guided by care, strengthened by partnerships, and focused on creating a greater impact in the years ahead.
